### Four Area Men Participate In Traffic Safety Meeting

#### Advisory Team to be Named Next Wednesday As Probers Cite Need for Drastic Action

The newly-formed Lake County Safety Commission got off to a fast rolling start Tuesday night, with four Antioch area members participating in the initial session.

They included County Schools Supt. W. C. Petty, 1038 Spafford, Arthur T. Becker, Edwards rd., Newport Township; William E. Brook, Rte. 21, Antioch, all members of the commission, and Newport Township Supervisor David Van Patten, a member of the County Board Advisory Committee.

### King Jaros to Play Tonight at Annual County Police Ball

The annual ball of the Lake County Deputy Sheriff's Assn., to be held tonight at Hank's Supper Club on Skokie Hwy., will be open to the public.

Deputy Frank Cassidy of Gages Lake, chairman of the affair, said dancing will be to the music of "King Jaros" and his 11-piece orchestra.

Dancing will commence at 9 p. m. There will also be entertainment and the awarding of prizes, Cassidy said. Admission is free, compliments of the deputy sheriffs.

### Earl J. McMahon Dies Retired Sign Painter Lived Here 11 Years

A well-known Antioch area resident, Earl J. McMahon, 55, of Edwards rd., died Friday in his home after an illness of two years.

A native of Chicago where he was born Dec. 10, 1900, Mr. McMahon came to Antioch in 1945. He was a retired sign painter, and operated a business on Main st. until the time of his death.

Mr. McMahon is survived by his widow, Mary; a son, Thomas, and a daughter, Mrs. Jean Williams, all of Antioch; four sisters, Mrs. Margaret Crick, Davisburg, Mich.; Mrs. Evelyn Lauber and Mrs. Marie Corigan, Chicago; and Mrs. Rita Parz, Cicero; three brothers, William, Long Beach, Calif.; Edward, Del Norte, Chicago; and James Delnort, Long Beach, and five grandchildren.

Funeral services were private. It was Mr. McMahon's wish that friends contribute to the Antioch Rescue Squad, in lieu of flowers.

### Bristol Man at Fair Kicked by Cow, Dies

Funeral services were held Friday for a Bristol, Wis., man, Arthur H. Raschke, who died of injuries suffered when kicked by a cow the previous Saturday at the Rock County Fair, Janesville.

Mr. Raschke is survived by his parents, Mr. and Mrs. Charles A. Raschke, Chicago; a brother Charles and a son, Arthur, both of Sturtevant, Wis.

### Retired Bristol Farmer, Henry C. Gitzlaff Dies

Henry C. Gitzlaff, 79, of Salem, died Tuesday in his home on Rte. 83, after a long illness.

Born June 4, 1877, in Bristol township, he lived most of his life in Kenosha county. He was a member of the Methodist church of Salem, and was a retired farmer.

He is survived by his widow, Minnie, whom he married April 6, 1905; two daughters, Miss Ethel Gitzlaff and Mrs. Clara Barthel, both of Salem; a brother, Albert, Bristol; and five sisters, Mrs. Emma Grevenow, Mrs. Ella Muhlenbeck, Misses Bertha, Alma, and Lena Gitzlaff, all of Bristol.

Services will be tomorrow at 2:30 p. m. (CST) at the Strang Funeral home, the Rev. Robert Smith of Salem Methodist church officiating. Burial will be in Bristol and Paris cemetery.

**Sponsor Ice Cream Social**

The High School Methodist Youth Fellowship of Antioch will sponsor an ice cream social at the parsonage, 586 Parkway, from 7 p. m. to 9 p. m. Saturday. The public is invited. Members of the committee include Peter Zalatoris, Jr., chairman, and Peggy Cardini.

### Three Persons Hurt In Head-on Collision Just West of Antioch

#### Two Car Crash Opposite Pizza Restaurant Attracts Large Midnight Crowd

A head-on collision on Rte. 173 a mile west of Rte. 59 injured three persons shortly before midnight Tuesday.

Taken to Victory Memorial Hospital in Waukegan by the Antioch Rescue Squad were James Harris, 41, of 2842 Rhode Ave., Melrose Park, proprietor of the J & M Market, Channel Lake; Donald Wall, 24, of 4410 W. Washington St., Chicago, and his wife, Susan, 22.

Most seriously hurt was Mrs. Wall, whose head crashed through the windshield of her husband's car, according to State Patrolman Vernie Plotz.

### Hurled from Auto Harris, who was hurled from his car onto the pavement, and Wall, reportedly suffered multiple cuts and bruises.

Plotz said Harris was heading west, and Wall was driving east, when the Harris auto crossed over the center line and slammed into the Wall car head-on. Both cars were demolished. Harris was arrested for driving on the wrong side of the road.

Capt. Herman Holbek of the Antioch Rescue Squad said the squad has responded to more than 240 accident calls already this year, terminating 1956 "the worst year ever." He said the squad expects to easily surpass the record number of 327 calls set last year.

### Lake Villa Township Board in Opposition To Collector Ballot

The Lake Villa town board has passed a formal resolution opposing the referendum for abolition of the township collector.

The resolution reads as follows: "Whereas, the Township of Lake Villa has received the excess commission of the township collector to the very great benefit to the taxpayer, and whereas, the township collector has operated at peak efficiency at a minimum cost to the taxpayer, therefore, the town board of the township of Lake Villa at the regular meeting of the town board on August 13, unanimously opposes the abolishment of the office of town collector."

Town Clerk William H. Peterson, Jr., Supervisor Edward Tiede, and Justices Carl Meinersmann, Reeves Loomas and George (Doc) Mosby were present when the resolution was passed.

A single spectator, Henry Ploss, Lake Villa, attended the meeting.

### Stray Rifle Bullet Hits Boy at Lake Shangri-La

A Chicago youngster was wounded in the ankle by a rifle bullet Sunday as he played baseball in a yard at Lake Shangri-La, north of Antioch.

Taken to the office of an Antioch physician was John J. Vacek, 9, for the removal of a .22 caliber bullet from his right ankle.

Kenosha County sheriff's deputies who investigated the incident, were unable to locate anyone shooting a rifle in the area.

The American Red Cross last year issued 202,100 certificates to persons completing its home nursing courses.

### Mrs. Ethel McCarthy Dies in Zion Monday

Former Antioch resident, Mrs. Ethel E. McCarthy, 70, of 2737 Ezekiel Ave., Zion, died Monday in Victory Memorial hospital after a short illness.

Mrs. McCarthy was born July 14, 1886 in Warren township. She and her husband, Frank, operated a farm in the Millburn-Antioch area for several years, then resided in Antioch prior to moving to Zion nine years ago.

A Lake county resident all her life, Mrs. McCarthy was a member of Marguerite Camp 1587 of the Royal Neighbors of America, Wadsworth.

She is survived by her husband and one brother, S. W. Ames, Gurnee. Services were held yesterday from the Strang Funeral home, with burial in Warren cemetery.

### Jury Rules Accidental Death in 2-Car Crash

A rural Antioch housewife and her 4-year-old son, killed July 13 in a head-on crash on Deep Lake rd. north of Rte. 173, died by accident, a coroner's jury meeting in the Strang Funeral home revealed.

Victims of the crash were Mrs. Frances Latal, 30, of E. Loon Lake dr., and her son, Glen. They met death when their station wagon and the car of Janet Glowicke, 18, of Venetian Village, collided in the middle of the road on a slight hill.

Sheriff's police said both cars were traveling in the center of the highway.

### Vacation Ends for Antioch School Students New Time Schedules Announced by Principal

Summer vacation time for Antioch High School students is rapidly coming to a close, with the 1956-57 school term scheduled to convene on Tuesday, Sept. 4.

Students are requested to report for class assignment on that date, in order to avoid delay and confusion in the operation of the regular schedule set to start Sept. 5. Students will also receive transportation schedules, locker assignments, and pay rental fees for textbooks on the initial reporting day.

All teachers have been notified to be on hand Sept. 3 for a discussion of routine school procedures.

**New Time Schedule**

A new time schedule of classes has been announced by Principal Albert Dittman for the Antioch High School.

Classes will start at 8:30 a. m.—20 minutes earlier than last year. The complete school day is from 8:30 a. m. to 3:20 p. m. The time change was necessary so that an additional class period could be incorporated into the time schedule to accommodate more pupils in the physical education classes and in the lunch periods.

The total enrollment is estimated at 575 students. The freshman class will number 220 pupils, which is the largest class in the history of the school.

### Antioch H.S. Students Covered by Insurance At School Activities

Antioch High School students will again be covered by accident insurance this year, according to Principal Albert Dittman.

The accident insurance program is voluntary and the students who choose to be insured are protected while engaged in regularly supervised school activities. In addition, accidents occurring on school or private conveyances are covered; provided such vehicle is driven by an adult and occur within the period reasonably required to go to and from school.

Athletes are given special protection by additional coverage. The athletic phase of the insurance program is paid for from the Athletic Fund.

**Low-Cost Program**

The regular student premium is paid by the student on the opening day of school. The premium is added to the registration fees.

Dittman said that the plan is a low cost accident insurance program, not intended to give complete coverage. Sometimes accidents of a serious nature occur. In these cases the expense submitted by the doctor or hospital may exceed the indemnity allowed by the insurance company. When this is the case the school does not assume the remainder of the expense.

The school has no legal obligation in case of accident. However, the school district and the school board feel that some student accident coverage should be made available if the student wishes to pay the premium.

A complete description of the insurance program has been given to all parents of boys participating in football. The non-athletic pupils will be given information when school opens September 4 and will be urged to take the material home. Parents are encouraged to read the information carefully to gain a better knowledge of the insurance program.

### Junior Red Cross Workers Represent State Chapters At Druce L. Encampment

Druce Lake Camp near Lake Villa is humming with activity this week as 92 delegates of the Junior Red Cross take over, rewarded for their school year participation in Red Cross activities.

Teacher-Sponsors select the delegates with a boy and girl from each high school representing 19 chapters throughout the state.

Will county chapter representatives are directors in charge of operation this year. In the coming year, Lake County representatives, headed by Mrs. John Kyndberg, JRC volunteer chairman, will serve as directors. Also serving are Mrs. Edward Matson, assistant director; Mrs. Lucy Warner, training center nurse; Robert Montour, director of educational services and Jim Strang, water front director.

A busy schedule confronts the young campers between 7 o'clock reveille and 10 o'clock taps. A daily newspaper is edited and classes attended for first aid, water safety, handicraft and home nursing. Self government prevails with camp counselors for guidance.

According to the Yale University Center for the Study of Alcohol, there are 4,589,000 alcoholics in the United States today, of whom 705,000 are women.

### Little League Season Sees Yanks, Dodgers, Named 2 Top Teams

The Yankees beat the Cubs Thursday in a 5 to 4 thriller to tie up the championship for the year. The victory over the Cubs gave the Yankees seven wins in a row and a season record of 12 wins and three defeats. The Yankees used Brown, Good, and Lundblad on the mound and Enis behind the plate. The Cubs used Pleviak and Brownlee on the mound and behind the plate.

Henry Lundblad hit a home run for the Yankees in the first inning and Mike Horn hit a triple in the third inning to drive in two more runs for the Yanks. Jim Brownlee and Dennis Kozar of the Cubs staged a two man hitting attack to tie the score in the second and fourth innings. In the last half of the fifth inning, with the score tied 4 to 4 and two outs, Dave Birch of the Yankees drew a base on balls; Al Wenniger singled and Joe Enis hit a double to drive in the winning run for the Yanks.

**Team Standings:**

As the Little League closes for the 1956 season, the standings for all teams are as follows:

Team	Sponsor	Won	Lost
Yankees	National Bank	12	3
Dodgers	L. V. Drug	10	5
Cubs	Ant. Servcenter	9	6
Tigers	State Bank	8	7
Giants	Antioch Lumber	8	7
Sox	Dupre Heating	4	11

The Dodgers who won the first round and the Yankees who won the second round of Little League play, will have their pictures taken at the park Sunday, August 26, at 1 p. m. Each of the players on the Dodgers and the Yankees team will receive a winner's trophy. The Dodgers and the Yanks will play an exhibition game to wind up the season Sunday after the ceremonies.

### Sight Possible Comet In Sky Over Antioch

At least two persons have reported seeing a strange apparition in the sky at night over Antioch.

Mrs. John Hagen of Lake Catherine said she looked skyward while walking her dog and saw what appeared to be a comet. She said it swooped out of the zenith, with a tail that seemed about five feet long, and kept circling until her vision was obscured by trees.

After Mrs. Hagen reported the incident, Mrs. F. W. Heinlen, 1105 Woodlawn Ave., Waukegan, also reported seeing it.

She said she and her husband were standing in the 500 block of Greenwood Ave., talking to a relative, when they saw the cone-shaped object in the west.

### Grass Lake Rail Victim Wants Friends to Write

A victim of the train accident in Fox Lake July 4, still hospitalized with her injuries, would like her friends to write to her.

Sandra Waldweiler, daughter of Mr. and Mrs. Peter Waldweiler, Grass Lake, celebrated her 13th birthday anniversary Monday in room 249 at Victory Memorial hospital, Waukegan, where she had been since the accident.

Three persons were killed, and several others injured, when a Milwaukee Road train rammed into a row of spectators who were watching a fireworks display from the railroad tracks.

### Grade School Bursts Its Seams as School Opens for Fall Term

#### Pinch of Growing Population Forces Old School to Be Used Once Again

Antioch Grade School will feel the pinch of a growing population of pupils when school opens for the fall term.

With the school bursting at the seams, all available space in the old building will be pressed into service. Kindergarten classes will be conducted in the Scout House in two shifts. Children living outside the village limits will attend morning sessions, from 8:45 to 11 a. m.; and those within the village of Antioch will attend from 12:20 to 2:30 p. m.

One section of the fourth grade will be conducted in the former Oakland School. Fourth graders attending that class will include those living in the former Oakland District, those at Deep Lake, Crooked Lake, East Loon Lake, and the Lindenhurst area.

**No Cafeteria**

Those fourth graders will have their day of school conducted entirely in Oakland School. After the first day it will be necessary for them to bring a lunch, since there will be no cafeteria.

Arrangements are under way to have special teachers serving this group, instead of bringing the pupils into Antioch for special classes as in the past.

**Need Proof of Birth**

All kindergarten and first grade students enrolling in this district for the first time must present birth certificates. Children residing in District 34 are eligible to attend kindergarten if their fifth birthday is on or before Dec. 1, 1956, while those who will be six on or before Dec. 1, 1956 may be enrolled in the first grade. Kindergarten children will register the first day in two shifts, at the Scout House.

Those who live outside the village will attend the morning session and will register Tuesday morning. Those living within the village limit (continued on page 7)

### Salem Citizen Group To Probe Possibility Of Police Protection

A seven-man committee of Salem residents has been named to probe the idea of more local police protection. The group was formed after a meeting of the town board, attended by 125 persons.

The action is reported to be the outgrowth of a 400-name petition, which has been circulating throughout the township just over the state line from Antioch.

Town Clerk Gerald Siebert said that if the committee and the town board decide the idea of forming a police department has merit, there will be a referendum on the matter.

The request for more protection Siebert said, is the result of "a lot of teen-age abuse, particularly at the lakes," noise-making, petty thievery and reckless driving.

Members of the citizen committee include Raymond Miller, Rock Lake, chairman; Gordon Herth, Salem; William Erdman, Center Lake; Frank Kriska, Wilmet; Al Dorn, Paddock Lake; Mrs. Timmer, Shorewood Terrace, and Mrs. Johnson, Cross Lake.

### Deputy Fred Zeason's Mother Dies Tuesday

The mother of Deputy Sheriff Fred Zeason, Mrs. Catherine A. Zeason, 61, of 4843 Palmer St., Chicago, died Tuesday at the home of a daughter, Mrs. Ruth Hills, in Woodstock.

A summer resident of Loon Lake for 23 years, Mrs. Zeason was born in Chicago Feb. 22, 1895. She was a member of St. Genevieve church in Chicago.

Surviving, in addition to her son, Fred, of Antioch, and daughter, Ruth, in Woodstock, are another daughter, Mrs. Dorothy Pedersen, Lake Villa, and son, Raymond, Chicago. Also a sister, Mrs. Ruth Tinning, Chicago, and eight grandchildren. She was preceded in death by her husband, Fred, last year.

Services will be tomorrow at 11 a. m. at the Strang Funeral home. Burial will be in Memorial Estates cemetery, Melrose Park.

## What the Lady Wants

"Give the lady what she wants." That has long been the policy of the meat industry. And fashions in meat have changed just as have fashions in dress or anything else.

Back near the turn of the century, for example, the fashion in meat called for a liberal covering of fat to meet the requirements of people who did much more manual and outdoor work than their descendants of today do.

Now customers want a minimum of fat—and the meat industry bows to their wishes. Pork is a good case in point. During the first half of this year the number of hogs which went to market increased about 18 per cent over a year ago—but pork volume was only about 13 per cent higher. This indicates, according to the American Meat Institute, that the industry has an increasing recognition of consumer preference in supplying the leaner type of meat. The industry generally has adopted a closer trim for pork—which means that it takes more hogs on the hoof to produce a given poundage of pork cuts ready for the stove.

Along with this advance, hog producers, agricultural colleges and others have developed an increasing interest in meat-type hogs. Last year these came to nearly 20 per cent of the market supply—about double the 1954 proportion. The upward trend is continuing this year.

The lady gets what she wants!

## Grass Roots Opinion

GREAT FALLS, MONTANA, LEADER: "The long controversy over the damming of the Snake River in Idaho to produce power continues on. A bill in Congress to build with public funds a high dam is still pending. . . . Private development of the Snake River is feasible and at a great saving over what the proposed high structure of the Reclamation Bureau would cost."

ARLINGTON, TEXAS, CITIZEN: "If Arlington can meet its obligations in the matters of education without neglecting its responsibilities, we think there are few other communities in the nation who cannot meet their obligations without the benefit of government doles."

CLARKSDALE, MISS., PRESS REGISTER: "The cost of all government in the U. S. averages, per person, \$575 a year. That would make the average family tax bill about \$1,900."

ELSINORE, CALIF., LEADER-PRESS: "A very long time ago, England's George III was having a terrible time of it with us Americans over taxes. He laid a tax on tea. We not only wouldn't pay it but we dumped the tea overboard in Boston harbor. We even rebelled—treason it was! . . . But hold!—we don't want to get into the position of seeming to advocate armed insurrection all over again. It can't be treason, however, to think that George III, if he could come back and see the tax picture of today, would have his reason scrambled worse than it ever was!"

EMPORIA, KAN., GAZETTE: "Emporia is doing its bit in urging more young people to learn how to swim. . . . There is alarm over physical fitness in the U. S. and swimming beats hot-rodding forty ways from Sunday."

CLAREMONT, MINN., NEWS: "For the past 25 years there has been a wild race among the different groups of people in this country to get more back in the form of subsidies than one pays to the subsidies of other groups. It is admittedly a poor practice all around as in the transfer, politicians and their appointees take off a large slice of the exhorated money."

WARREN, R. I., GAZETTE: "A group of foreign manufacturers being shown an American plant saw a machine that took a piece of steel and in one operation stamped, punched and shaped it into a finished product. After they watched it for a while, an apparently bitter argument broke out, with much arm waving and finger shaking. The guide asked the interpreter accompanying the party what the shouting was all about. 'Some of them,' said the interpreter, 'insist that it can't be done!'"

MYRTLE BEACH, S. C., DAILY NEWS: "We can take a lesson in democracy from Iceland, where 90 per cent of the voters actually voted."

MONTPELIER, VT., EVENING ARGUS: "It shouldn't be too hard to keep your temper. Who else wants it?"

BASSETT, NEB., LEADER: "It is the consumer who will pay for the increased wage and fringe benefits the steel workers may gain. There is nothing remarkable about this, for obviously if a business does not recover its costs, and a reasonable profit for re-investment and for dividends to those who have provided the facilities, it cannot hope to remain a going concern for very long."

## Handwriting on the Wall

Long ago, the law was clamped down to prevent corporations from making contributions to political campaigns. The unions are not burdened with such restrictions.

Representative Walter Judd has canvassed his constituents in Minneapolis, asking if they favored legislation imposing the same restrictions on union political contributions as now apply to corporations. The replies were: Yes, 79 per cent; No, 8 per cent; No Opinion, 13 per cent.

Many union members probably object to being assessed to support candidates whom individually they may oppose for the same reason they would object to being assessed by the firm for which they work to support its candidate.

There is significant handwriting on the wall in this response.

\*\*\*

## Dollars Aren't Like Minutes

This country's gross national product—the money value of all goods and services produced has passed the \$500 billion a year mark, almost double the 1945 figure.

However, as the Portland Oregonian points out, reaching this "magic" level "is not as sensational as the announcement some months back that man finally had broken the four-minute mile." The reason is that a minute is a constant measure—it doesn't stretch or shrink from time to time. The dollar is something else again.

Today's dollar will buy a little less than 70 per cent of what the 1945 dollar would buy. Therefore, a \$400 billion gross national product, adjusted to 1945 prices, comes to only about \$300 billion. That is what inflation has done.

## YESTERDAYS

Did you know that nine American towns are named Antioch?, or that at least there were 19 years ago? According to research done for an article in a 1939 issue of the Antioch News, one town in California, Louisiana, Nebraska, Ohio, Tennessee, West Virginia, and Indiana, and two towns in Illinois had the name. The other Illinois Antioch was located in Macon county, near Decatur, Ill. At all there, our village was the second largest, and "probably the oldest municipality adopting the ancient name."

In January of 1937, "federal agents confiscated a gigantic still and rectifying plant which had been operating under the eyes of Spring Grove residents as a very successful poultry business for six months, following a surprise raid of the former Borden-Wieland milk plant."

Also that month, "ice fishing is in full swing throughout the Lakes Region, with from good to fair catches being reported." This fishing was done with live bait dropped through holes in the ice.

A February headline read as follows: "Famous China Co. to Make Wares in Old Corona Pen Bldg.," and the story went on to say that the Pickard China Company was planning to make small pottery and exquisite china at a new manufacturing establishment in Antioch.

Antioch's board of trustees approved and ordered the installation of a deep well turbine at a special meeting in March to replace the faulty gear driven pump at the waterworks which had been failing and cracking up.

The gymnastic exhibition at the high school, in which the entire student body participated, was the big news in April of 1937. It was the largest physical education demonstration ever held in the Lakes Region. A program of sixteen events included square dancing, a grand march, various corrective exercises, tumbling and apparatus work by both boy and girl classes, pantomime of Olympic athletes, folk and tap dancing, and pyramid work.

Some statistics from the year showed that 47 of the people on Lake county's relief roll of 184 were from Antioch. The county also listed 778 pensioners. The sixth high school annual was issued in 1937 (at a cost of \$1.25 to those students without activity cards, and free otherwise) and the 14th annual Antioch country fair was held that year, and offered premium awards valued at \$9,500 at its three-day bow.

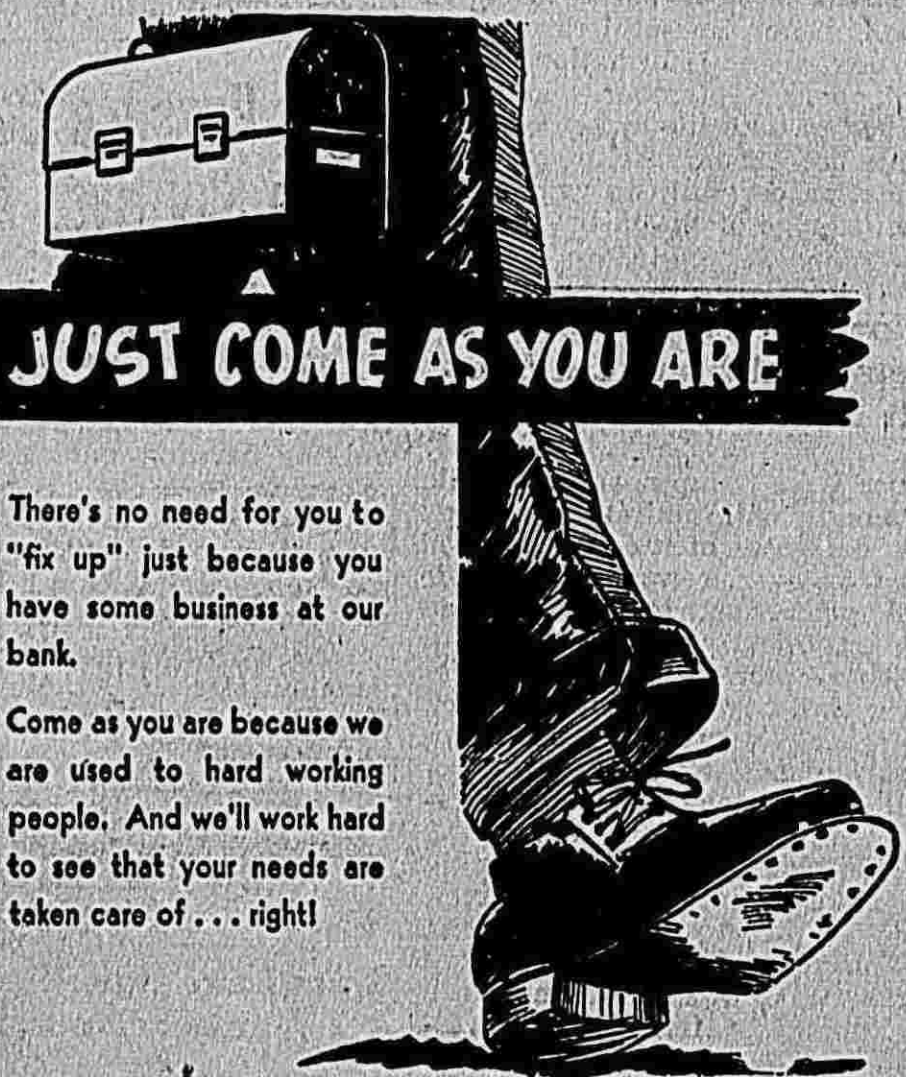

Both Antioch drug stores added improvements in 1937. Reeves offered friends and customers a Drug store opened a new ultra-modern stainless steel soda fountain and

Antioch, Illinois

To use our Drive-up Window, located on Lake st., where special 5-minute parking zone is provided for your convenience.

After adding air-conditioning to its balcony, King's Drug Store called itself "the coolest place in Lake County."

Two high school boys did well in baseball and agriculture in 1937 and the following stories appeared in the News about them:

"Bob Madsen, sensational high school pitcher, has signed a contract with the Milwaukee Brewers and will report to their spring training camp in 1938."

"Leo Keisler, a sophomore at the vocational agriculture department of the local high school, together with 23 other FFA boys from Illinois, held a perfect score in the judging of swine at the annual judging contest held at the University of Illinois last week. Competition was between 298 boys."

Summer of 1937 brought advertisements about the Chain O' Lakes Region in the Resort and Travel Section of the Chicago Daily News, but it also brought one of the worst outbreaks of grasshoppers and army worms that the county had seen in a long time.

Although lace was the big news in fashion, from decorations and capes, to whole dresses and gowns in printed patterns, the fashion writers of the day also used a very frilly style, as seen in the following description of some 1937 fashions:

"Oh, oh, oh! Did you ever see anything in the way of fabric so dazzling to the eye, so daringly designful, so altogether fascinating as the new cotton weaves that are dancing so madly, so merrily, so fashionably into the current style picture?"

CHICAGO RETAIL MARKETS  
AUGUST 20-25

CHICAGO — Sharply increased wholesale meats present one of the most erratic retail price situations the University of Illinois consumer service has noted since its weekly survey of 800 Chicago-area wholesale and retail outlets began nearly a year ago.

Meanwhile, fresh produce prices continue to tumble, led by new lows for potatoes and onions, making the week ending August 25 most favorable especially for vegetarians looking for a variety of values.

Potatoes, that recently claimed the price spotlight at a record 40-year high, this week merit headline attention for the opposite reason. In fact, a firm consensus price is difficult to peg due to rapidly declining quotes. This raises the possibility spuds will get the lion's share of promotional attention in most produce departments as receipts flood into Chicago markets.

Steadily climbing beef this week definitely moves out of any real value buy consideration. Most beef cuts advanced at retail an average of 5 per cent over last week. Pork, too, quotes higher on limited supplies, although fresh pork items hold at last week's levels. Lamb is steady, veal offers spot values, and poultry products continue to improve at relative values.

Because of the general meat picture, eggs take on added significance as a good protein source for homemakers who want to steady budget pressures. This is particularly true of small grade A eggs.

The U. of I. rating this week is in two divisions. Potatoes, small eggs and turkeys head the value lists. In secondary position are: Lamb—shoulder roasts, chops, leg roasts. Poultry — Fryers, stewing hens. Pork—Loin roasts, chops, sausage.

In addition to potatoes, here are other top produce considerations: Onions, cabbage, sweetcorn, cutumbers, celery and tomatoes, in vegetables. Peaches, plums, pears and melons, in fruits.

Groceries remain steady with little change noted in most categories. Some good values are to be had in most stores in canned peaches, pears, tomato products and tuna fish.

Meat prices are quoted in wider range throughout the metropolitan area on unsettled market conditions, but most frequent price mentions include:

Beef—Steaks: sirloin 98c-\$1.05, porterhouse \$1.19-1.25, rib 79c and round 69c. Standing rib roasts 65-69c, blade cut pot roasts 41c (or 2c higher than week-ago average). Ground beef 39c, economy plateaus such as short ribs range widely 17-27c.

Lamb — Shoulder roasts 39c, shoulder chops lowest at 49c, rib chops 79c and leg roasts 59c.

Veal—Leg roasts 37-39c, rump roasts 49-51c.

Pork—Loin and roasts 53c, rib ends 39c. End chops 39c, center cuts 79c. Fresh Boston roasts, spare ribs and pork steaks quote an average 10c higher at 49c. Bacon as low as 59c for some but generally 55-57c for most. Whole hams hold 57-59c on the low side. Smoked Boston butts quote highest at 69c.

Poultry — Small turkeys 49-51c, fryers 36-39c, roasters 45-49c, stewing hens 39-41c. Turkey legs and thighs at 69c and breasts at 95c are good values. Even Rock Cornish hens quote lower at 98c for one pounders.

Eggs—Small grade A rate the top value position at 30c doz. Mediums quote 39c and large 45c.

Produce—Potato supply exceeds demand and dropping prices make any attempted quoting almost

meaningless. Many are currently below the 6c per pound level. Onions quote 3 lbs. for 25c; cabbage down 1c to 4c lb., sweetcorn lower by 9c to 49c doz., but ranging widely; tomatoes 23c, cucumbers 5c each, lettuce 15-19c per head. New crop rutabagas arrive in sufficient volume to quote 5c lb.

Peaches in volume units for canning and freezing continue to make headline news at wide ranges of quotes. Most Honeydew melons quote 39c each and cantaloupes 27c. Plums decline in volume but quote highest at 25c lb. and blueberries hold firm at 29c pt. even as marketing begin to decline.

Remember the Little Red Hen of the children's tale? She herself had grown the wheat, carried it to the miller's to be made into flour, mixed the dough, and baked the bread; so she determined that she herself should have the satisfaction of eating the bread.

A lot of folks feel much the same way about the money they work so hard to produce; and they determine to save all they can of what needn't be spent—for their own satisfaction, in the future. Why not do it yourself? Come in and open your bank account with us this week!

## YOUR MERCURY DEALERS'

DAWN TO  
DUSKBIG M  
DEMONSTRATION  
MARATHON

6:00 am to 9:00 pm • August 20-31

We're out to prove to everyone that the 1956 Mercury is the biggest buy of the year... and we'll do it with an old-fashioned, bumper-to-bumper demonstration.

Stop by on your way to work. Bring your family in the cool, cool, cool of the evening. If you can't come to us, we'll go to you. Just telephone.

Name your hour... from dawn to dusk!

The time is ripe  
to get the best deal yet  
on the BIG MERCURY!

● because used car prices are the year's highest. You can now own a new 1956 Mercury for very few dollars more than what a late-model used car costs today. Wait 'til you see our wide selection of body styles and colors.

● because trade-in allowances are the year's biggest. We're able to offer an unbelievably generous trade-in allowance on your present car. Once behind the wheel, the Mercury will demonstrate itself into your heart. We'll deal it into your life.

● because you get extra months of BIG M driving if you buy now. Don't put off 'til tomorrow what you can drive today! You can tell the story of Mercury styling in one word... beautiful! And you'll own the car that won the 150-mile Milwaukee stock car race last month at an average 83.1 mph!

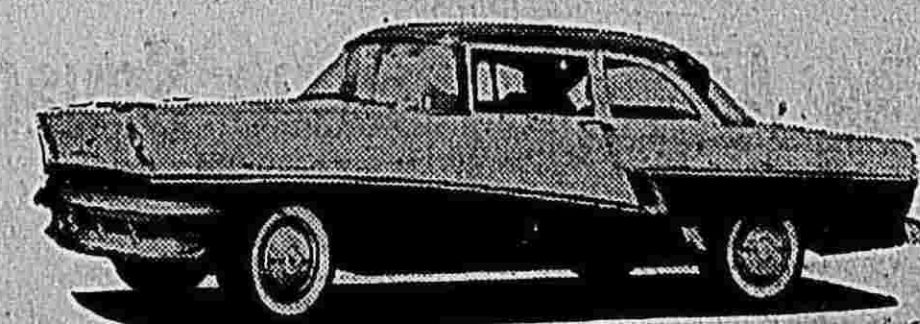

● because you get a BIG, BIG car at a LOW, LOW price. Why settle for your second choice—one of the "low-priced three"—when you can have the big-car size and power of THE BIG M for so little more? Let us show you Mercury's new family of safety advances and dozens of engineering greats.

HURRY ON DOWN FOR YOUR  
DAWN-TO-DUSK DEAL!

Hot diggity! You can  
now get a 1956 Mercury  
with radio, heater, and  
Merc-O-Matic transmission  
for as little as

\$53<sup>63</sup>  
PER  
MONTH

(with average '53 trade-in)

### Illinois Newspapers, Taxpayers' Guardians

Newspapers, commonly called the "fourth estate," must submit themselves to a public vote of confidence every time they roll off the press. The recent exposure of the misuse of taxpayer dollars is a good example of why the press has won and kept that trust down through the ages. The alertness and objectivity of members of the fourth estate in this reporting have gained for them another title, "guardians of the taxpayers," Maurice W. Scott, Acting Executive Secretary of the Taxpayers' Federation of Illinois, said recently.

Constant research, analysis of facts and reporting by the press wield a powerful influence in encouraging integrity. The essential purpose of the press — to inform, to criticize, and to provide news — has recently been displayed to the benefit of people both in and out of government.

The Illinois Legislative Correspondents Association, an organization of newspapers and news services whose representatives report actions of the Illinois General Assembly and the State Government. Privately supported, this association provides digests of legislative bills and events to its members. It has press room space in the capitol building near the legislative halls.

Five Chicago newspapers maintain year around correspondents at the capitol press room, as do the Associated Press, United Press, International News Service and various downstate newspapers. Through these representatives, the Illinois State government is rated one of the best reported in the nation. Through the integrity of these representatives the rock-bottom foundation of a free Illinois press is guaranteed.

There can never be a substitute for the free press. "The newspaper is," says Walter Lippmann, "in all literalness the bible of democracy, the book of which a people determines its conduct. It is the only serious book most people read. It is the only book they read every day."

### Millburn

Mrs. Frank Edwards, Correspondent  
Phone Eliot 6-3323

Regular services at Millburn Congregational church Sunday, Aug. 26, only one service, at 11 o'clock. Sunday school will begin Sept. 2. Chaplain Samuel Pearson conducted the service last Sunday morning.

The Study group met this (Thursday) morning at 9 a. m. at the home of Mrs. Rose Weindorf.

Miss Joyce Moore who has spent the past few months with her sister, Mrs. Herbert Graham, returned to her home at Spooner, Wis., on Friday.

Susan and Lynn Edwards of Libertyville spent a few days with their grandparents, Mr. and Mrs. Frank Edwards.

Mr. and Mrs. Wayne Craig and sons, Wayne and Jeff of Orrstown, Pa., spent the week-end with their cousins, Mr. and Mrs. Harold Myers.

Mrs. Charles Lucas and Mrs. Addie Lucas attended Riverside Garden Club Thursday at the home of Mrs. Edna Doyle at Wadsworth.

Mr. and Mrs. Frank DeYoung are enjoying a two weeks trip in Wyoming and Colorado.

Mr. and Mrs. Charles Spanner of Chicago spent Wednesday with Mr. and Mrs. Joseph Strohal.

Mr. and Mrs. Herbert Graham and family spent the week-end with the latter's parents, Mr. and Mrs. Moore at Spooner, Wis.

Mr. and Mrs. Eddie Hoffman and Richard spent Thursday at Michael Reese hospital, Chicago.

Mr. and Mrs. John Edwards and family of Libertyville spent Thursday evening at the Frank Edwards home.

Mrs. Addie Lucas of Wadsworth is visiting at the Charles Lucas home.

Mr. William Daly left Saturday to live with his daughter, Mrs. Ruth Larnan of Chicago. Mr. Daly had suffered a stroke.

Mr. and Mrs. Peter Tillich of Antioch were callers at the Eddie Hoffman home Monday evening.

Miss Judy Paulsen of Bellevue

spent the week-end with her parents, Mr. and Mrs. William Paulsen. Mr. and Mrs. Ogden Schoonmaker of Wauwatosa, Wis., were week-end guests at the Charles Timmerman home.

Mrs. Ida Truax and Mrs. Addie Lucas spent Friday with the Erickson sisters in Chicago.

Bobbie Boller, Jerry Davis, Donna Truax and Charles Paul and Mary Sue Paulsen were guests of George Hoffman Thursday evening to help celebrate his 11th birthday.

Mrs. Charles Lucas and Mrs. Addie Lucas attended a party at the Harold Lucas home at Gurnee Thursday evening for Mr. and Mrs. Ted Bittner and family who left Sunday for their new home in Newfoundland. They will be gone for three years.

Mr. and Mrs. Orville Hairrell, Sr., of Waukegan were callers at the Elmer Hauser home Sunday.

The Millburn Maidens held a picnic at Willow Park in Druce Lake on Tuesday, Aug. 14. Committee

in charge were Alice Bromstad, Sandra Stephens, and Rena Gornaz. Plans were made for their Achievement Day, which will be held Wednesday evening, Aug. 23 at 8 p. m. in the Millburn Congregational church. Friends are invited to attend.

## FORTY THOUSAND FUNERALS

will result from traffic accidents this year... will yours be one of them?

Sudden death will strike over 40,000 men, women and children in traffic accidents in 1956, unless all of us do something about it!

Here's How You Can Help Stop Traffic Tragedies

1. Drive safely and courteously yourself. Watch traffic and pedestrians carefully. Observe speed limits and warning signs. Where drivers stay alert and obey the law, deaths go DOWN!
2. Insist on strict enforcement of all traffic laws in your community. Traffic regulations work for you, not against you. Wherever traffic laws are strictly enforced, deaths go DOWN!

Mrs. Charles Bennecke is a patient at Victory Memorial hospital. William Peterson is in St. Theresa hospital for observation.

Florence Peterson spent Friday in Waukegan shopping with her daughters, Louella Pullen of Gurnee and Marjorie Shuling of Libertyville.

Mr. and Mrs. Clifford McCarthy spent their vacation in Glenora and East Dubuque, Ill., visiting relatives.

Mrs. Harriet Ballenger is visiting relatives in Norton, Mass.

Mrs. Engel and daughter, Ailene, from Chicago were week-end guests at the home of Mrs. Helen Emerson.

Mrs. Rose Johns, Mrs. Mable Streed, Miss Polly Knoll and Mrs. Helen Emerson, volunteer nurses, worked last Thursday at the Cook County hospital, in Chicago.

Mrs. Helen Emerson was escorted to the East by her nephew Jack Wieboldt of the Blair Chapter of the Order of Eastern Star in Chicago. All proceeds went to the polio fund.

Mr. and Mrs. Bert Hooper and Lottie Barnstable attended the picnic for the past matrons and patrons of the Eastern Star at Wind Lake in Wisconsin.

Mrs. J. Biosky, Mrs. S. Long, Mrs. R. Sure, Mrs. P. Finstein, Mrs. S. Horwitz and Mrs. H. Emerson bowled in Antioch last Tuesday.

## MILLBURN

(Written for last week)

Mr. and Mrs. Russell Doolittle are the parents of a daughter, Marcia Jean, born Thursday, Aug. 9, at Condell Memorial hospital, Libertyville.

Mrs. Arthur Riegler returned home Sunday from Victory Memorial hospital.

Mrs. Anna Bauman is visiting her daughter, Mrs. William Ferry, at Detroit, Mich.

Airman, 1st class James Holem, son of Mr. and Mrs. Don Holem, was home on a thirty day leave and is now stationed at Mountain Home, S. A. C. Air Force in Idaho.

Mrs. Stephen Liddicoat and daughters of Grayslake were callers at the home of Mrs. Charles Lucas Tuesday evening.

Mr. and Mrs. Pholop McDonald and family of Rockford spent Saturday with their father, A. B. McDonald.

Mr. and Mrs. Frank Hauser attended funeral services for their aunt, Mrs. Bertha Duberstein of Slades Corners Saturday afternoon.

Cheryl and Pattie Denman, daughters of Mr. and Mrs. Robert Denman are spending a few days at the Earl Kane home at Mundelein.

The 4-H club had a movie at the church Wednesday evening. All enjoyed the movie, which was entitled "A Night of Movies."

Mr. and Mrs. Leslie Bonner and Mr. and Mrs. Victor Strang spent Sunday at the home of the Rev. and Mrs. Glen Strang at Rochelle, Ill.

Guests at the home of Mrs. Lyman Bonner on Sunday were Mr. and Mrs. Earl Chrisler, of Wauwatosa, Wis., Mr. and Mrs. L. J. Crawford of St. Petersburg, Fla., and Mr. and Mrs. Ellis Gott and Mr. and Mrs. Leonard Stanczak of Waukegan.

## Illegal for Children Under 16 to Drive

"No child under the age of 16 may legally drive a car in Illinois though the purpose for such operation is instructional," was the warning Secretary of State Charles Carpentier issued to parents recently.

He said that this warning was due to the shocking accident in Joliet recently, in which a 14-year-old girl lost control of a car she was driving, overran a turn, and jumped a curb, fatally injuring a child of two.

Secretary Carpentier also reminded parents that even those children who have reached the age of 16 are not allowed to operate a motor vehicle, although accompanied by an adult, unless they have obtained an instructional permit. The only exception to the 16 year age law, according to Secretary Carpentier, are certain 15 year olds who qualify for a special permit after having met stringent requirements.

He also called attention to the fact that parents who knowingly allow such illegal operation violate both the Driver License Act and the Act Regulating Traffic on Highways.

Section 42 of the Driver License Act provides "no person shall cause, authorize, or knowingly permit a motor vehicle owned by him or under his control to be driven upon any highway by any person who is not authorized . . . or in violation of any of the provisions of the Act."

Section 140 of the Act Regulating Traffic on Highways states: "It is unlawful for the owner, or any other person, employing or otherwise directing the driver of any vehicle to require or knowingly permit the operation of such vehicles upon a highway in any way contrary to law."

There are 141,733 more alcohol outlets in the United States today than the combined total of churches, synagogues and temples. The lineup: 441,789 liquor establishments; 300,056 churches.

The four major weaknesses of dairying today are too few crop acres, milk production too low, too few cows, and milk sold per man too low, says an article in the August issue of Successful Farming magazine.

To seal doors thoroughly, apply calking compound with a gun around the edges of doors and over any exposed bolts where they have come through the frame, says the August issue of Successful Farming magazine.

# SOCIETY EVENTS

## Set Memorial Services

A memorial mass will be said in St. Peter's Church in Antioch next Wednesday for Lt. Anton J. Graham, who was killed 12 years ago while leading Co. I of the 9th Infantry, 2nd Division, in the battle of Brest, France.

Lt. Graham was the son of Mr. and Mrs. Richey V. Graham, 1341 Park Ave., River Forest, and of Channel Lake, and the grandson of the late Mayor Anton J. Cermak, of Chicago.

## Wilmot

Mrs. Herman Frank, Correspondent  
Tel. Trevor 2752

Mr. and Mrs. Don Herrick and Milton, Oak Park, spent Saturday evening and Sunday with Mrs. Harry McDougall.

Mrs. William Scott spent Monday afternoon with Mrs. Floyd Gyger, Sr.

Mr. and Mrs. Ray Hirschmiller and Judy spent Thursday evening with Mr. and Mrs. Floyd Gyger, Sr.

Mr. and Mrs. George Higgins were accompanied by Mrs. Charles Curtis, Kenosha, to Elgin Sunday to visit Mr. and Mrs. Wilbur Higgins.

Misses Grace and Erminie Carey spent Saturday at McHenry visiting relatives.

Mr. and Mrs. Floyd Gyger, Sr., entertained Mr. and Mrs. Pete Crampouik and family, Mr. and Mrs. Ray Panzer and family, Stanley Majeski, Waukegan, Mr. and Mrs. Alfred Lemke and family, Glenview, Mr. and Mrs. John Gyger and family, Libertyville, Mr. and Mrs. Robert St. John and Sandra, Mr. and Mrs. Floyd Gyger, Jr., and family, Mr. and Mrs. Raymond Hirschmiller and Judy, Mr. and Mrs. Harvey Brown, Mr. and Mrs. Clarence Cramer, Wheeling, Sunday at a family reunion.

Mr. and Mrs. Herman Koegel and daughter, Nancy, Mrs. O. A. Krompas, Wauwatosa, were recent guests of Mr. and Mrs. Marlin Schnurr.

Mr. and Mrs. Bill Schnurr and sons, Skokie, Ill., are spending a few days with Mr. and Mrs. Marlin Schnurr.

The W. S. C. S. of the Methodist church of Wilmot will have a bake sale at 1 o'clock, Saturday, Sept. 1, at Camp Lake on the lawn of Mrs. Charles Gotsche.

The W. S. C. S. of Wilmot Methodist church met at the church Thursday.

Mrs. Lloyd Stoxen, Mrs. Alex Schubert, Mrs. Flavia Ehlert, Mrs. Alfred Rambow, Mrs. Charles Schultz, Mrs. Herman Frank, Mrs. Dan Fleming, Mrs. Floyd Gyger, Sr., Mrs. James Seitz, Mrs. Floyd Gyger, Jr., Mrs. Dave Sutton, Mrs. Elsie Elverman, Mrs. Art Winn and Mrs. Geoffrey Goulding, Mrs. Albert Mizzen, and Mrs. John Mizzen attended a miscellaneous shower for Mrs. William King, Tuesday evening at the home of Mrs. Frank Haase, Camp Lake.

Everett Benedict, Norman Benedict, Ed and Wally Skora, Jerry Schiltz, Dick and Jim Breunnaing, Dick Timmer, Don Swartz, Mr. and Mrs. Milton Haase, Mr. and Mrs. Herman Frank, Mr. and Mrs. Dan Fleming and Jean, and Betty Richards attended the eighteenth birthday dinner for Billy Haase, Sunday at the home of Mr. and Mrs. Frank Haase, Sr.

Mrs. William Scott is spending a month at the home of her daughter, Arlene and family, Milwaukee.

Mr. and Mrs. Frank Zarnstorff, Sr., accompanied Mr. and Mrs. Frank Zarnstorff, Jr., and family to Christopher, Ill., a few days.

Melvin Wertz and Mrs. William Wertz spent a few days at Pond du Lac.

Mr. and Mrs. Harvey Brown spent Thursday at the home of Mr. and Mrs. Stanley Brown, at McHenry.

Barbara McRae, Kenosha, spent a few days with Mr. and Mrs. Harvey Brown.

Mr. and Mrs. Frank Zarnstorff, Sr., spent Sunday afternoon with Mr. and Mrs. Frank Mecklenburg, Genoa City.

Mrs. Polly Brigham and sons, Leslie and Jimmy, Marion, Ill., are spending two weeks with her sister and husband, Mr. and Mrs. Dan McCallum.

Mr. and Mrs. Grant Prutzman and three children of Collinswood, N. J., arrived Tuesday to spend two weeks visiting with Mrs. Prutzman's parents, Dr. and Mrs. L. J. Zimmerman of Felter's subdivision.

## Ingleside Girl and Lake Villa Boy Plan Fall Wedding Here

Mr. and Mrs. Elmer Keller of Ingleside announce the engagement of their daughter, Barbara Joy, to Arthur Smejkal, Jr., of Lake Villa. Barbara is teaching school at Big Hollow, and Arthur is a senior

at the University of South Carolina. Both graduated several years ago from Grant High School in Fox Lake. The wedding will be held September 29 at St. Peter's church in Antioch.

Mr. and Mrs. E. W. Kufalk and daughters returned from a two-week trip through Canada and the New England states recently. During their vacation, the Kufalks visited her brother in Marshfield, Wis., and officer candidate Charles Guthrie at Newport, R. I. They also saw the famous Vanderbilt mansion, "The Breakers" at Newport.

Mrs. Clarence Spiering, president of the Antioch Woman's Club, entertained the club's board at her home on Monday afternoon with 16 present. It was announced that the opening meeting will be a luncheon on Oct. 1, at the McHenry Country Club with a style show by MariAnne's.

Celia Hojem, daughter of Mr. and Mrs. John Hojem of Channel Lake, and Jay Cribb, son of Mr. and Mrs. Jay Cribb of Lake Villa, are spending the week at the Vandercreek Music Camp on the Elmhurst College campus. They were provided scholarships by the Antioch Woman's club for their outstanding music work at the high school where they will be seniors. Celia plays the clarinet and Jay is a trumpet player.

## H. S. Football Players Must Have Physical Examination

All boys, including incoming freshmen, who have not already had their physical examinations for the coming football season must take them from 9 to 11 a. m. Friday at the Antioch Clinic. This will be the last opportunity for group examinations. Physicals are required before participation in practice.

Equipment will be issued Friday evening at the high school gym beginning at 6 p. m. Coach Paul Kessenich has asked that the east locker room door be used. Football practice starts at 8 a. m. Monday, August 27.

## Swim Lessons Were Popular

Walter Shepard of Antioch and James Strang, director of the Red Cross "Learn to Swim" program for Lake County, are shown here at the Antioch pool as they directed swimming lessons which ended last week after 12 sessions. Adults who have enrolled in evening lessons are still attending classes on Monday and Wednesday nights. (Warren Polley Photo)

## Salem

Mrs. Byron Patrick, Correspondent  
Tel. Bristol 110-F22

Miss Irene Bosman of Sturgeon Bay called on Miss Olive Hope on Friday. Miss Bosman will resume her work as librarian at Central High School in September.

Mrs. William Griffith, Mrs. Byron Patrick and granddaughter, Colleen Patrick and Mrs. Nellie Head spent Friday afternoon in Racine.

Mr. and Mrs. Herbert Hein and children of Bristol spent Sunday with their parents, Mr. and Mrs. David Elfers.

Mr. and Mrs. Alfred Schmidt and children spent part of the past week in northern Wisconsin. Their sons, Robert and Larry took part in the band concert at Eagle River.

Mr. and Mrs. Robert Patrick have returned from a motor trip through the northwestern part of Wisconsin. They called on Mr. Monroe Hope at Cassville, Wis.

Mr. and Mrs. Harry Mesmer, Jr., and family left Saturday for a vacation trip through the south.

Miss Annie Semler is a patient at St. Catherine's hospital in Kenosha. Mrs. Bessie Elkerton of Antioch spent Sunday with her sisters, Mrs. Charlotte Bloss and Mrs. Nellie Head.

A number of ladies from Salem attended the style show and card party given for the Holy Name school at Wilmot on Wednesday afternoon.

Mr. and Mrs. Frank Hartnell and son of Kenosha spent Sunday afternoon at the Wm. Kaphengst home.

Mr. and Mrs. Ross Pierce and daughters of Lampa, Fla., called on Jennie and Josie Loescher Monday afternoon.

In 1955, the American Red Cross gave \$13,394,100 in financial assistance to servicemen, veterans, and their dependents.

## Card of Thanks

We wish to thank our friends for the sympathy extended to us in our recent bereavement.

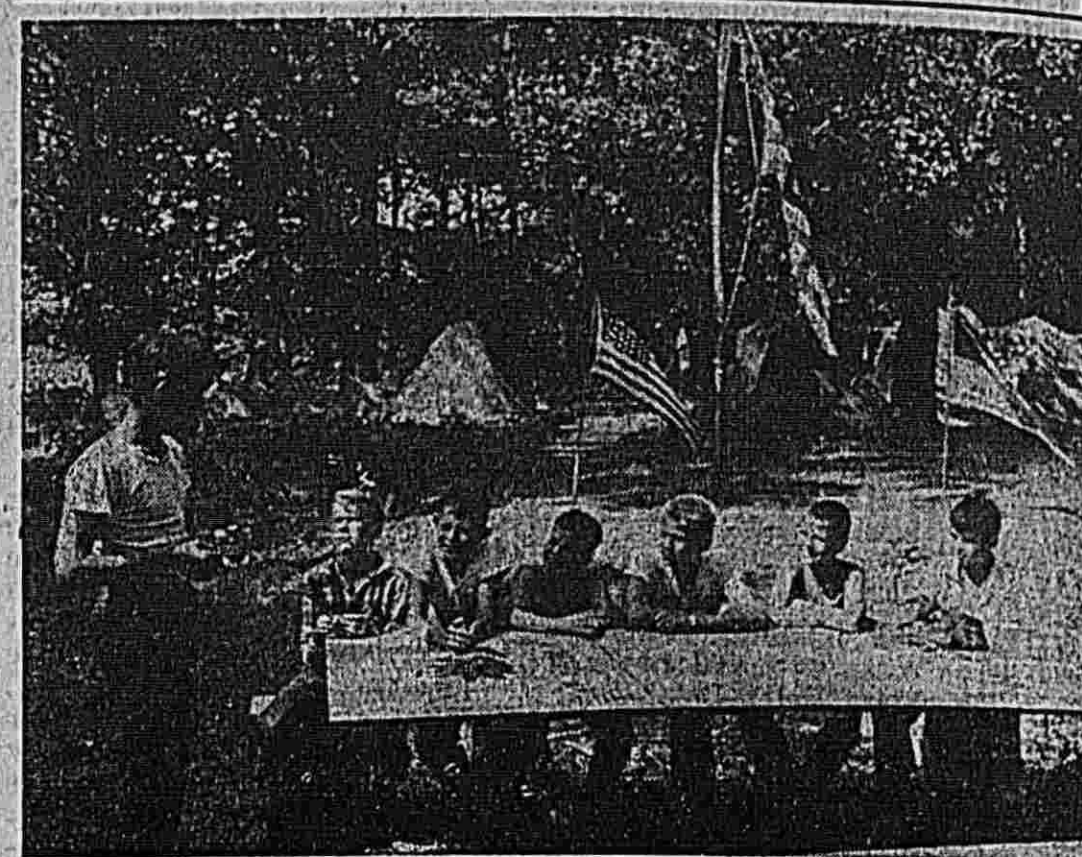

The family of Earl J. McMahon

## Card of Thanks

Bernard D. Sherman's loved ones wish to thank all for their many, many kindnesses of the past week. Words cannot express our gratefulness. All shall be remembered in our prayers.

Mother, Ginny and Sisters

## Scouts Camp at Deer Lake

Richard Prange is shown standing as he displays the boysenberry plant to a group of fellow campers at the week long camp out of Troop 92 last week. Those seated at the table are, left to right, Gayle Augburger, Donald Olson, Richard Good, Allan Berretter, Albert Dittman, Jr., and Clifford White. Shown in the rear are some of the 24 tents which were used for sleeping by the campers and staff at Deer Lake, east of town. (Warren Polley Photo)

## Freak Car Accidents Plague Channel Lake Saturday and Sunday

### Car Misses Turn, Hits House Another Somersaults, Hurts Occupants

The Alfred P. Jerde home at the corner of Lake and Highland avenues, Channel Lake, ended up somewhat the worse for wear Sunday night after a losing bout with a woman driver.

Sheriff's police said members of the Jerde family were sitting inside the house at 7 p. m., when a car driven by Mrs. Mary Blue, 68, of Woodbine Ave., Channel Lake, came crashing through the living room wall.

Deputies reported that Mrs. Blue, who has a learner's permit, "oversteered" her car while trying to make a left turn from Lake Ave. onto Highland Ave., and fell over in the seat.

Robert Kunze, Chicago, a licensed motorist riding with Mrs. Blue, was unable to stop the auto, which demolished a county highway sign and crashed into the Jerde home, pushing the living room wall in two feet.

**Causes Heavy Damage**  
An estimated \$500 to \$600 damage was done to the house, and Mrs. Blue was booked for reckless driving and not having her car under control.

Two Chicagoans were injured in another spectacular crash at Channel Lake Saturday night, when Hugh Rodgers, 25, lost control of his car on a curve at Rte. 173 and Linden Lane.

Deputies said the car went onto the shoulder, moved down four highway posts, designating the curve, then somersaulted end over end, rolled onto its side, and slammed into a tree.

Rodgers, who was arrested for reckless driving, was taken to a local clinic by the Antioch Rescue Squad for treatment of rib injuries and head cuts. His passenger, Martin Richards, 26, was treated for cuts on both feet, back, and head injuries. The car was a total wreck.

## Twin Lakes Village Board Sues to Get Public Roads

Action to make three miles of private roads in Twin Lakes public property begins Sept. 12 in Circuit Court in Kenosha county.

The village of Twin Lakes started a condemnation suit charging that before going ahead with a public sewerage project, it must own the three-mile stretch of roads.

The village board noted in its petition that the private streets have undergone public use for more than 10 years.

## Illinois Corn Crop Expected to Be More Than Half Million Bu.

Illinois is expected to raise 524,000 bushels of corn this year, according to the August crop forecast of the state and federal departments of agriculture. This would be slightly more than the total yield in 1955, and 12 per cent above the ten-year average.

The indicated yield of 59 bushels per acre this season would be more than six bushels above the ten-year average, and only two bushels below the all-time record of 61 bushels made in 1948. It compares with the estimated average production of 40 1/2 bushels per acre this year for the entire United States.

This season's soybean crop is forecast at 121,000,000 bushels, the largest ever raised in Illinois, the nation's top soybean state. Last year Illinois produced 98,000,000 bushels; the ten-year average total yield is 83,000,000.

## White Motorboats— It's Illegal to Use Chromium Numbers

The use of chromium on a white background or hull does not comply with the federal Numbering Act, officials of the Ninth Coast Guard District stressed today.

The recent upsurge in the use of chromium numbers on white hulls or backgrounds, making them illegible is causing concern with the Coast Guard.

The Numbering Act states that numbers should appear on both bows of a motorboat, in letters not less than three inches, and in contrasting colors to the boat. This is for the purpose of identification, but the use of chromium numbers on a white background is almost impossible to distinguish at any distance.

Numbers on a motorboat are required of outboards over 16 feet in length equipped with a detachable motor, and all inboard motorboats, regardless of their size, when operated on navigable waters.

Failure to comply explicitly with the Numbering Act is a federal offense and punishable by monetary fine.

"Married life is real, earnest, single blessedness a fib. Taken from man to man, regret has been spoken of the rib."

## High School Cafeteria Schedule is Announced

The Antioch High School cafeteria will start operation for the 1956-57 school year on Wednesday, Sept. 5. Four 25-minute lunch periods have been scheduled with approximately 150 pupils in each lunch period.

The lunch schedule is as follows: First lunch period 11:27 to 11:53. Second lunch period 11:57 to 12:23. Third lunch period 12:26 to 12:52. Fourth lunch period 12:56 to 1:21. Pupils may purchase the hot lunch for 35 cents or bring their own lunch from home. Students will be allowed to supplement the lunch from home by purchasing milk, ice cream, or dessert. However, all pupils and staff members must eat at school because of the short lunch periods. Students may not leave the campus during the noon hour.

**Serve Balanced Diet**  
The menus served in the cafeteria must meet the requirements of the state of Illinois Hot Lunch Program. A balanced food diet is always served. The menu for the first three days of operation is: Wednesday: Barbecue, green beans, potato chips, applesauce, ice cream cup. Thursday: Meat loaf, mashed potatoes, peas, fruit jello salad, devilsfood cake. Friday: Macaroni and cheese, spinach, apple and celery salad, peach pie.

Miss Kathleen Barkman, home economics instructor, will plan the menu. Mrs. Eva Gaylord will serve as head cook, with Mrs. Helen Cary, Mrs. Viva Beattie and Mrs. Jeanette Brown as assistant cooks.

## Dress Right, Students— Or You'll Get Sent Home See Suggestions Below:

"Dress right... you can't afford not to," is the slogan at Antioch High school this next school term. The Student Council, the teaching staff, and Board of Education have studied for the past year, the importance of good grooming. These groups determined from their survey, a close relation between the student's conduct and the way he or she dresses.

To have the "well groomed look and manner," the following type dress is suggested:

- GIRLS:**
1. Skirts, dresses, or jumpers
  2. Sweaters or blouses
  3. Shoes—loafers, bucks, flats, or saddles
  4. An accepted style hair-do.
- BOYS:**
1. Wash pants or slacks
  2. Sport or regular shirts (collars down)
  3. Sweaters
  4. Low-cut shoes
  5. Belts
  6. Crew or short haircuts

## Herd Claims Fourteen Ribbons at State Fair

Over a dozen awards were won at the Illinois State Fair at Springfield last week by Susanna Farms Shorthorn herd of Lake Villa.

The herd, which is owned by S. J. O'Bryan, won all together five firsts and nine seconds at the fair, and the title of Reserve Champion bull.

This week the herd will compete at the Wisconsin State Fair, and next week will find them in competition at the Iowa State fair.

## Grade School Bursts....

(continued from page 1)

its will attend afternoon session and register Tuesday after 1 p. m. Parents may take their children home immediately after registering them on the first day. The kindergarten fee will be \$7.50 for the year, which includes insurance.

**Drop Old Method**  
The old method of grouping children according to the alphabet has been dropped and class lists will be prepared and posted outside the door of each classroom. A new student's name will not appear on any list until he has registered in the office, and a registration card has been delivered to the classroom teacher.

New families in the community are urged to register at the grade school office before September 5. The office is open Monday through Friday, from 9 a. m. to 4 p. m.

The faculty for 1956-57 is as follows:

Kogn.—Mrs. Virginia Blake  
1st Grade—Miss Gail Deltrick  
1st Grade—Mrs. Esther Wilton  
1st Grade—Mrs. Laura Horton  
2nd Grade—Mrs. Eleanor Kufak  
2nd Grade—Mrs. Barbara Smith  
2nd Grade—Mrs. Lucille Whitacre  
3rd Grade—Mrs. Shirley Edwards  
3rd Grade—Mrs. Ruth Baethke  
3rd Grade—Mrs. Wanda Barthel  
4th Grade—Mrs. Fanny Yates  
4th Grade—Mrs. Ruth Liddle  
4th Grade—Mrs. Katherine Cain  
5th Grade—Mrs. Donna Barhyte  
5th Grade—Mrs. Belinda Dittman  
5th Grade—Mrs. Arlene Cramer  
6th Grade—Mrs. Hester Garland  
6th Grade—Mr. Leland Turner  
7th Grade—Mrs. Edna Becker  
7th Grade—Mr. Harrison Brown  
8th Grade—Mr. Ernest Gilroy  
8th Grade—Miss Loretta Kuligowski  
Supt.—Mr. Richard Whitacre.

## Post Lauds Lake Co. Method in Selecting Citizens for Juries

The current issue of The Saturday Evening Post contains on page 10 an editorial commenting on the jury commission system of Lake County, Ill. The article points out how jurors are selected in this county, and how it is looked upon as a civic duty to serve on juries, rather than a chore. It cites the Lake County jury commission as one of the leading such groups in the nation, setting an example for other counties to follow.

The editorial follows, in part: "Jury service is unpopular in most places, but the citizens of Lake County, Illinois, and, for that matter, most of the state's other counties, have at least the opportunity to know what jury service involves.

With greater knowledge has come greater willingness to undertake this obligation of citizenship. This change of attitude grows out of the inauguration in 1953 of jury commissions, charged with the job of qualifying prospective jurors for their tasks. Jury commissions are composed of three members appointed by the judges of the county, and are required in all counties in Illinois with a population of 140,000 or more. The commissioners interview those who have been summoned for jury duty, instruct them in court procedure, answer questions and dispose of doubts. For example, to those who feel that their education is inadequate, the jury commission explains that intelligence and integrity are more important than formal education. Some people are reluctant to sit in judgment on another person. They are reminded that a juror merely says, in effect, "In view of this evidence I believe this person did (or did not) commit this act." Those who plead indispensability to their employers are asked if they are sure they are giving up something more important to them, than loss of wages might be to a humbler citizen. Jury service is represented as a privilege which only a few can enjoy, rather than a chore to be handed off to someone else.

The jury-commission law provides the mechanics for selecting jurors, but the successful application of it rests with the commissioners, the judges and attorneys of the county, and the local press. In Lake County the system has the wholehearted support of these elements, with the result that the commissioners are able to lay down and enforce rules of procedure which have the respect and co-op-

eration of the people. The most important rule is that no one—except those exempt by law—whether a "big wheel" or a wage earner, is excused from service. Since it became known that all were being treated alike, requests to be excused have been virtually nonexistent.

During the three years that the jury commission has been in existence in Lake County, nearly 3000 citizens have served on either grand or petit juries. They have thus acquired first-hand knowledge of our courts and the problems that are involved in law enforcement. People who have assumed this responsibility can be relied upon to be righteously indignant when law enforcement breaks down. They have not compromised their right to com-

plain by using political influence to be exempted from jury service. —Editorial from August 25 issue of the Saturday Evening Post.

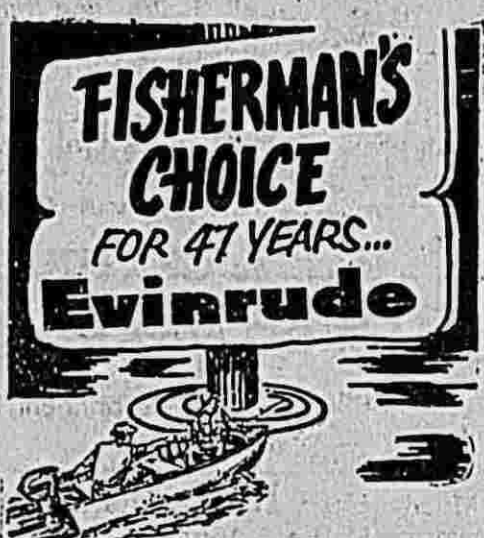

Since 1950, Red Cross volunteers have spent 41,000,000 hours while directly serving servicemen, veterans, and their families, an average of more than 8,000,000 volunteer hours per year.

Beef cattle fed stilbestrol made faster and more economical gains in a recent University of Illinois experiment, reports the August Successful Farming magazine.

Last year, 20,500 veterans and dependents of veterans gave the American Red Cross power of attorney to represent them before the Veterans Administration.

## HEALTH TALK

## Preparing Your Child for School

In a few weeks the ring of the school bell will open a new world for many youngsters. What have you done as a parent to prepare your child for this great event, asks the Educational Committee of the Illinois State Medical Society in "Health Talk."

Entering the classroom, the child will embark on a new approach to growth, physically and emotionally. Used to the shelter of his home, the schoolroom will appear strange unless the child has been familiarized with its environment. Ordinarily the preschool tot has some routine in the home. Now he must adjust to regular hours for learning. And the need for this is better understood by the youngster when prepared in advance by his parents.

A child is always curious. He has a natural appetite for knowledge. The wise parent can stimulate this by explaining the many wonders the classroom will unfold. The importance of the teacher in directing her tiny pupils must be stressed, because now the youngster will be under her leadership.

Of course the tot has had a special circle of little friends and playmates, but now several hours a day will be spent with many youngsters, all vying alike for attention. Help your child to understand. Let him know that this is a part of going to school and the way to gain many new friends. Encourage the need to get along with others.

These are a few of the steps you should follow, as a parent, to prepare your child for his start in school. However, there is another equally important approach. Is your youngster ready physically to take on the responsibility of learning? Has he had a physical and dental examination?

The child's intellectual capacity may be fine, but are you sure that his vision is adequate to read the letters on the blackboard? And his hearing? Can you be certain that he can hear clearly the instructions of his teacher? Perhaps you have noticed that the youngster tires easily, but you attribute the fatigue to strenuous activity in play. Much better to have your physician check, so that the lethargy does not persist in the classroom. Malnutrition is also a cause of fatigue.

Has your child been protected against the diseases preventable through immunization? Some communicable diseases are still with us, but why not prevent every one you can.

Dental care is important. Toothaches from neglected cavities are painful. Let your dentist prevent your youngster's suffering.

The whole program of getting the child ready for school is one of integration. He must be in good physical and emotional health. Certainly a thorough physical and dental examination, together with correction if need be will help him adjust to the demands of school life.

By equipping your youngster in this fashion, you will contribute to the child's whole personality. Give your child a basic start in his new life. Prepare him wisely for the change so that, as he grows, he will meet each situation as it arises.

## Seek Two Engineers For Downey Hospital

Downey Veterans Administration hospital has an immediate and urgent need for engineers.

Needed are Building and Grounds Superintendent (General Engineer) at a beginning salary of \$6590 per year for a forty hour work week, and a Safety Engineer at a salary of \$8115 yearly.

The Buildings and Grounds applicant should have a bachelor's degree from an engineering college or university, preferably with mechanical or electrical background, plus two years of experience.

The Safety Engineer should have a bachelor's degree from an engineering college or university, plus one and one-half years of experience as safety engineer.

Further information may be had by visiting or writing the Personnel Division, VA Hospital, Downey Illinois.

## Offer Savings Ideas To Farmers Selling Livestock and Grain

Many farmers sell their livestock and grain at the same place, time after time, and after very little bargaining and shopping around.

There are six profit and savings ideas a farmer can use to make him more money in selling his products,

according to an article in the Successful Farming magazine.

Always check the prices at several markets before closing a deal, check into the various price discounts or premiums being offered,

and figure the comparative costs of using the different markets being considered.

Also, learn the grading and sorting practices at different markets and consider them along with the

price, overcome the habit of using the same market year after year, and, after evaluating these factors, choose your market on the basis of the greatest net return, advises the magazine.

Some 55 per cent of the fatal traffic accidents costing 809 lives over the 1955 Christmas holiday week-end were caused by drinking drivers according to the National Safety Council.

## This GMC has "muscles" unsurpassed in its class!

The simple facts speak for themselves.

This new GMC 250-8 has 180 V8 horsepower standard. No other truck in its class comes even close to that.

The extra power delivers 276 foot-pounds of truck-propelling torque. Over-the-road truckers call it "guts" — and this GMC's got up to 33% more than the others.

It's at the top of the heap in frame-strength, too. In fact, there's as much as 10% more "muscle" in its chassis than you'll find in comparable trucks. And there's more. For this rugged GMC has

3500 lb. front axles and 7200 lb. rear — unsurpassed in its weight-bracket. It has extra-size brakes and springs.

Add it all up and you can see what GMC Blue Chip stamina really means. Especially when you team it with a GMC's dependable performance and Hydra-Matic\* savings.

For here's a truck that not only delivers the goods at lowest cost — but keeps delivering long after an ordinary truck would have faded out.

Come in and find out about having one start work for you!

\*Optional at extra cost

See us, too, for Triple-Checked used trucks

It's Bonanza time at Buick Dealers!

# We've got a good buy for you — for sure

(You get a triple Bonanza in today's Buick)

Buick Century  
4-Door Sedan

## Bonanza Trade-in Allowance

With Buick solidly in Number Three sales spot nationwide, our large sales volume lets us deal you an even sweeter trade-in allowance on your present car—which is at its peak worth right today!

## Bonanza Buy

Today's Buick prices start right on the heels of the smaller cars—but man! just count the extra blessings Buick brings you. Extra power and sizzle. Extra size, room, luxury. Extra-smooth ride. More structural weight and solidity. New-as-tomorrow styling. It's the Best Buick Yet!

## Bonanza Resale

You can always bank on Buick's resale value—but your '56 Buick should get you even more when you trade it, thanks to today's new Variable Pitch Dynaflo.\* It's the world's most advanced transmission—only one that gives you the cruising thrift and full-power acceleration of the modern plane's switch-pitch propellers!

TIME WAS never riper for you to start enjoying the thrills a Buick can bring you.

For today's Buick prices are low—they may never be so low again. Right now, in fact, they're low enough to help fix Buick more firmly than ever in the Top Three of America's best sellers.

And Buick's hot sales pace means we can give you every last dollar of your present car's true worth—which is at its peak right now.

So why hold back another day when you can so easily make a bonanza buy on a '56 Buick—

With an all-time high in power and compression—with a great new sta-

bility and handling—with sleek new styling—with a ride smooth as melted butter—

And above all, with advanced new Variable Pitch Dynaflo\* giving you new zip and tingle even before you switch the pitch for emergency take-off!

Drop in today for a buy on a '56 Buick that you'll find hard to resist!

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING

## Warn Farmers to Use Caution on Highways

At least 330 American farmers will never live to harvest this year's crops because they were careless in driving their farm implements onto roads and highways, the Chicago Motor Club reports.

This is the grim prediction based on farm vehicle deaths over the past three years.

Ward H. Cross, chairman of the Illinois Rural Safety Committee, commenting on rural accidents, declared:

"Since it is necessary for farmers to use the highways in farming operation, it seems only practical that they feel the responsibility for their own safety. In practically all cases where cars or trucks are involved in accidents with tractors or towed implements, the operator is killed. With proper signal flags or lights, and obeying the rules of courtesy on the highway, these accidents could be reduced to practically zero."

The Motor Club said that of the better than one thousand fatal accidents involving tractors in the nation last year, one-third occurred on highways.

These figures pertain only to tractor deaths, and can be multiplied by the hundreds of injuries and property damage accidents. Motor Club safety experts declared. There were 200,000 farmers injured in motor vehicle accidents in 1955 due to rural traffic accidents involving farm implements, which resulted in a drain of 21 million dollars on the nation's economy.

Club officials believe this figure is appalling when one realizes that farm implements are on the highways for a comparatively brief period.

Motor Club records show that about 5,700 farmers were killed in 1955 in the United States in other types of vehicle accidents, including trucks, wagons and cars.

An alarming number of farmers are victims because they are careless pedestrians, records disclose.

It is recognized by Club traffic experts that farmers must depend upon farm vehicles, trucks and wagons to harvest their crops and market them. They point out, however, that many farm vehicles are heavy and slow moving.

These slow-moving vehicles cannot hold their own on the highways against passenger cars and trucks moving 50 miles an hour or more, they stress. Therefore they recommend that farm vehicles use the shoulder of the road as much as possible. It's a bumper—but safer—ride.

When crossing a highway from one field to another, a two-man operation is recommended.

One can drive the vehicle, the safety experts say, while the second man stands in the highway to warn oncoming traffic and to direct the driver of the farm vehicle.

Medium	21 oz	30¢
Large	24 oz	30¢

FRESH FRUITS & VEGETABLES  
Peaches, Pears, Plums, Potatoes, Onions,  
Cabbage, Tomatoes, Lettuce, Cucumbers.

Based on Market Survey  
for Week August 20-25

## Tax Facts

"Taxpayers could reduce the taxes they pay by picking up after themselves instead of expecting the government to do it for them," according to a statement of the Taxpayers' Federation of Illinois on the subject of litterbugging. The American public pays \$15 to \$50 a mile per year to clean up refuse strewn along the highways of the nation. The State of Illinois spends an estimated \$750,000 to \$800,000 tax dollars each year for this purpose.

"Messy motorists," new term for litterbugs, are lawbreakers. There is a statute in Illinois which reads, "It is hereby declared unlawful for any person to deposit in a public road weeds, trash, garbage or other offensive matter or any broken bottles, glass, boards containing projecting nails or any other thing likely to cause punctures in the tires of automobiles or motor vehicles; and any person so offending shall be

liable to a penalty of not less than \$5.00 nor more than \$50.00."

Enforcement of laws against litterbugging is difficult because litterbugs are difficult to catch. The Illinois penalty was sharply increased by the last legislature; it is too early yet to tell whether any noticeable improvement will result. A survey of the experience of other states shows that educational campaigns are a more effective weapon. The Garden Club of Illinois, and local Garden Clubs throughout the state, are civic groups attempting to persuade motorists to keep highways more beautiful by keeping them clean. Some states are experimentally distributing litter bags for use in cars and placing litter cans along the highways and at filling stations. Measures such as these, not only will make the highway more pleasing in appearance—they will result in more economical government.

To demonstrate the high cost of the litter habit, three dump trucks were required to clean a six-mile

stretch along one Illinois highway, after a recent weekend. This is a State responsibility on both state and federal highways. Thus the State of Illinois paid for the trucks and for gasoline, maintenance and drivers' salaries.

"If messy motorists realize that careless habits are expensive, that they themselves pay the clean-up bill, their habits should improve," the Taxpayers Federation concluded.

## National Guard Will Swell State Police Over Labor Holiday

Governor William G. Stratton has ordered the Illinois National Guard to assist the state police in highway patrol work during the Labor Day weekend, September 1, 2 and 3.

"Statistics show speed is the greatest killer on our highways," the governor declared, in a statement urging motorists to save lives by driving carefully at reasonable speeds.

In compliance with Governor Stratton's order, Major General Leo M. Boyle, Adjutant General, has detailed 20 officers and 200 men of the Illinois National Guard to work with the state police during the period from 8:00 a. m. September 1 to midnight, September 3.

## Young Petite Lake Bride Says Husband Beats Her And Threatens Her Life

A Petite Lake bride of five weeks was separated from her husband Friday night, when sheriff's deputies arrested him for assault and battery.

Taken to county jail, and later released on bond, was James Miller, 23, of Oak ave.

Miller's wife, Marie, 20, told police her husband beat her twice in the last two weeks, beat her again last week, and threatened to kill her with a knife.

## Tell Tag Day Winners

At the close of Red Heart Tag Day held Saturday by the Volunteers of America to aid destitute mothers with children in care of the organization in this state, Mrs. Laura Swanson, chairman of the affair, reports that Mary Sorenson won first prize by securing \$30.21.

Second prize was won by Betty Brown, who had \$22.98. The third winner had \$22.18. Other workers were made happy with movie money.

cerning what can be done to make their areas safer.

Becker, who helped formulate the now famous Evanston safety program back in 1925 said the secret of the success of any safety program is publicity—and after that, real, honest enforcement.

All members agreed that they would fight to get more men for the sheriff's department, and urged that a uniform speed limit be established in Illinois to conform with that of surrounding states.

O'Connell said the "fellow with the heavy foot" is the greatest violator. Ten per cent of today's drivers cause 80 per cent of all accidents, he said. With good enforcement, those 10 per cent can be taken off the road.

Laud Volunteer Firemen  
O'Neill stressed the need for

leadership in outlying areas, and lauded volunteer fire departments throughout the county for their leadership in the field of safety.

At next Wednesday night's meeting, to be held in the county highway department offices at Libertyville, the Safety Commission will select permanent officers, and discuss nominees for an advisory council to the group.

The advisory council will consist of the police chief of each of the 25 cities and village in the county, a representative from each organized safety body in the county, one representative from each unincorporated area, and five representatives at large from the county.

Members of the advisory council will have voice in the meetings of the safety commission, but no vote.
